

A Quick Guide To Select hair Dryers

Hair dryer helps to keep your hair dry and manageable.

For thick, frizzy hair use an ionic or tourmaline dryer.

Fine or dry hair, consider a ceramic or porcelain dryer.

Use a titanium dryer if you have a lot of hair.

Sizing Up the Power and Weight

Choose a blow dryer with 1500 watts or more.

Choose a lightweight dryer so your arms don't get tired

Look for multiple heat settings.

Know your budget.
